## WE INVEST In Our Trucks

### To Deliver for You!

With our service alert feature, we keep our trucks in excellent condition and perform regular maintenance. We deliver on time because of our GPS technology, and due to the size of our fleet we have the capability of replacing trucks in case of emergencies.

## On Time Rating

For added security and safety, our teams travel in pairs.

## Safety Rating

Our policy to have a daily safety inspection for all our trucks. We provide our drivers with a strict check list .

# Safety is our #1 PRIORITY

From our offices, we supervise our drivers online and in real time. .

## Mandatory Drug Testing

We run a background check on all our drivers, they also go through random drug testing for security purposes..

## Advanced GPS Tracking

Our trucks are equipped with GPS Technology where we are able to track our drivers in Real Time. We monitor the stops and distance they drive to improve efficiency and reduce gas consumption.

## Fleet Maintenance

With our service alert feature, we keep our trucks in excellent condition and perform regular maintenance.

## Driver Training

Our drivers are well trained, safe drivers, courteous and experienced in handling your customer's merchandise.

# Our On Time Delivery Standard

Always Tracked in Real Time 24/7/365

## CONSISTENT PLANNING

From our offices, we supervise our drivers online and in real time. Such technologies help us serve you better, record accidents, monitor driving habits and safety records for all our drivers.

## OUR SAFETY CONCEPT

Simply put, We Care and We Deliver with Care. We treat our drivers like family and never overwork them to ensure they are on time and in top shape when hauling your freight.

# Our LYTX SAFEGUARD

Our most comprehensive program for improving driver behavior and dramatically reducing collisions, claims costs, and fuel use..

## Rapidly Expanding

Aria began in 2013 with one objective—to simplify transportation management. From coast to coast, dock to dock, and across all major transportation modes.

Aria Logistics connects businesses that need to ship their products with carriers who transport goods quickly.
