

ABOUT OUR COMPANY

Aria began in 2013 with one objective—to simplify transportation management. From coast to coast, dock to dock, and across all major transportation modes, Aria Logistics connects businesses that need to ship their products with carriers who transport goods quickly.

We started as a small business and have grown quickly because of our two best traits: **Reliability and Quality Service.**

Last Mile Coverage

LAST MILE DELIVERY SERVICES

White Glove Delivery

White Glove Delivery Service for furniture retailers, electronics retailers, where we pick-up your order from the warehouse, hand pack it, transport it on our trucks to your client, deliver to the room of choice, unpack, assemble, remove and recycle packaging.

Room of Choice Service

Our Room of Choice Service is the delivery of packaged merchandise to the desired room of choice in the home and/or business. This service does not include removal of packaging, assembly or set up.

Threshold Service

Threshold Service is available where the customer requests simply dropping off the packaged goods at their front door and no additional services are required.

FTL AND LTL SERVICES

Refrigerated Cargo

Fresh fruits, chocolates, poultry, fish, ice-cream. When you ship temperature-sensitive goods, you need someone who understands what it takes to handle reefer cargo.

Dry Cargo

Our dry containers are suitable for most types of cargo - and are used to carry solid dry goods like coal, grain, steel products, ore and other similar products.

Project Cargo

These highly specialist shipments require a certain degree of transport planning - from origin to destination.
